Dear Immaculate Families:

Immaculate Conception Catholic Church and School was founded in 1954 with the help of the Sisters of Mercy from Enniskillen, Ireland. Their dedication to our parish community and students continues to live within us today. Through our fundraising events, we are able to raise the necessary funds in order to continue to enhance, grow and thrive on the deep rooted dedication that our Sisters of Mercy left us over 60 years ago.

I want to thank all of you for always supporting our fundraising activities. Our fund-raising is always used to improve the overall functioning of our school. I wanted to take this opportunity to let you know all of the wonderful improvements that have been made in the past six years:

- Installation of buzzer on the front gate which has to be used in order to enter the school.
- Installation of security cameras installed throughout the school and in Mercy Hall.
- Replacement of tile in the Kindergarten bathrooms.
- Renovation of the basketball court.
- Replacement of clay in the baseball field.
- Replacement of old wiring throughout the school to improve technology.
- Installation of new Tv's and Apple Tv's in all classrooms.
- Installation of new locks in all of our buildings and classrooms.
- Installation of a new sound system, lights, projector and repainted Mercy Hall.
- Renovation of our school library with new flooring, paint and ceiling tiles.
- Improvement of our Media Lab with state of the art equipment.
- *Summer of 2020 we will replace the tile, toilets and sinks in Mercy Hall.*

None of this would have been possible without your support and I am very grateful to all of you! United in Christ we continue to make great things happen in this GREAT school.

Sincerely in Christ,

Victoria Leon
Principal
